WEPs AWARDS APPLICATION PROCESS

Apply Online

www.asiapacificwepsawards.org/apply
All applications must be submitted online. The standard application is in English, but for selected countries there is the opportunity to apply in the local language.

Applicants need to submit one application and may apply for **up to two categories**. The application consists of three parts:

- **Part 1: Applicant Information**
- **Part 2: General Questions**: multiple choice questions to assess the applicant’s policies and practices aligned to the WEPs principles
- **Part 3: Category Questions**: open-ended questions for the applicant to detail the specific initiative for which they wish to be nominated.

In Parts 2 and 3, you will be asked to upload supporting documents that provide evidence for the claims you make. While we recommend companies provide supporting documents, we appreciate especially start-ups and entrepreneurs may not have all supporting elements at hand and will accept a written description in lieu of documentation.

Part 3 : Category Questions

Gender-inclusive Workplace
This award recognizes achievements that corporations have demonstrated in adopting relevant gender-inclusive measures in the workplace. This may include innovative approaches to equal recruitment, support to provide flexible work arrangements, addressing specific needs of female and male employees, transformational initiatives to support family responsibilities of female and male employees to address the unequal care burden, and accelerative actions to guarantee the safety and well-being of female and male employees, accelerating progress towards equal pay, and promote women’s career development and leadership.

Title: Enter the title and short description of the initiative (max. 50 words)

Background and Context (400 words):
1. Provide some background about the issue and/or challenge to be solved.
2. Explain the specific purpose of the policy, programme or initiative. Why was it launched? What need, goal or gap does it address?
3. Who does it seek to impact and what is the current scale of the initiative (e.g., the number of employees it would cover, their roles and job levels, the countries it would be implemented in)? Which departments or individuals are involved?

Key Actions Taken & Lessons Learnt (600 words)
• What are the key actions that have been/are being taken to implement the policy, programme or initiative?
• Were any external partners involved (i.e. other businesses, industry networks, and/or other stakeholders such as government, civil society, and non-profits)? If so, what approach did the company take to build partnerships and engage in collaboration? How did collaboration support or enhance the initiative?
• What were/are the biggest challenges in implementing the policy, programme or initiative? How are these being overcome, and what are the key lessons learned?

Results and Sustainability (400 words)
• What are the key results to date? Please be as specific as possible and supply available data.
• How was or will success be determined? If relevant, what indicators and metrics were/are included? Was sex-disaggregated data collected to track and measure progress?
• How does the company plan to carry forward the initiative (including a scaling and/or sustainability plan)?

Supporting Documents (can include company policies, press release, company newsletter, photos, CSR reports or other report from the company, etc.) *
*Note: Some form of supporting documentation is required in order for your application answers to be verified. If you do not have any supporting evidence, please note this and provide reasons for the same.
